

Declaration of Intent

The Administration with integrity of the Governor of Chiang Mai

I, Mr. Pawin Chamniprasart, Governor of Chiang Mai, am announcing my intention to perform my duties and administration of the government as follows; I shall perform my duties as a government official to carry out the mission on the basis of honesty, integrity and morality, adherence to morality and being a good role model for the officials and subordinates. I shall actively perform my duties at full capacity to satisfy the needs and solve problems of the people with correctness, equality, transparency and fairness. I shall govern based on the good governance, philosophy of sufficiency economy and religious principles in both work and life to achieve the goals according to the vision "City of Life and Prosperity" and for the utmost benefits of the public interest.

I shall lead all the officials and subordinates and encourage them to behave with integrity, promote good values, and create positive attitudes among people in the organization. I shall boost their moral good conscience and ethical behaviors. I shall encourage all of the officials to perform their duties according to the law, government regulations, and adherence to the interests of the people, and to serve as a good official for the people, organization and country.
